ALMAMLAKA

INTERIOR DESIGN · 2024

ABOUT THIS PROJECT

Designed a restaurant interface and decorated it with a festive Ramadan theme. The goal was to create an elegant and luxurious look using cool, appealing colors that complement the atmosphere of the holy month. The design reflects the spirit of Ramadan through sophisticated and distinctive visual elements.

LAVENDER CENTER

WELLNESS DESIGN · 2024

ABOUT THIS PROJECT

A wellness destination inspired by lavender, supporting Saudi Arabia's Vision 2030. It offers lavender-based therapies and educational experiences, with a design that reflects the graceful movement of lavender and cultural symbolism, aiming to promote health, cultural enrichment, and medical tourism.
